

WE NEED YOUR HELP!

We are Dunwoody Community Church, your neighbor and a member of this community located at 2250 Dunwoody Club Drive. Over the past eight months, we have been the continuing target of major vandalism, to date costing more than \$40,000; funds which could be better spent in the furtherance of our ministry.

The lights in our parking lot and the church's front door have been shattered and more recently, in separate incidents, three of the large windows on the front of our Worship Center have been broken; all apparently shot by a pellet gun, air rifle or something similar.

We are appealing to our community to help us in ending this costly and senseless destruction by identifying the persons responsible.

If you have any information, please call the church office at:
770-396-8600

Or email us at: info@dunwoodychurch.org

Or call the Sandy Springs Police Department at:
770-730-5600

Thank you very much for your assistance.
