Rudy Nydam

To follow up my last note from February, I should probably name my message "Priceless". I say this because of the unbelievable and unselfish actions from members of FSTC that continue to solidify my feelings that my membership is just that, "Priceless".

First, I feel all the members owe a huge debt of gratitude to Charles Cantey and Larry Brideau. or as high as I felt about the resurfacing of the pool, I felt just that low when I got the news about the pump. Charles led the charge on gathering proposals which came in as high as replacing the pump for around \$5,000. Then came the news that the pump could be fixed for a total of \$650.

Charles and Larry got the pump in place, and saved the membership over \$4,000.

Second, a great thanks for the generous donation of a HUGE television for the clubhouse by Steve and Jane Jones. The young families quickly used the opportunity to have a movie party for the little members. This is a great addition to the clubhouse.

Lastly, the tremendous turnout of fan support for the winter mixed tennis playoffs was unexpected, but greatly appreciated. Especially those members, who aren't even on the team, that traveled over 40 miles to Acworth.

It is because of actions like these, that I look forward to the "Priceless" acts that have yet to come.
