### Coming Soon!

Volume 4,  
Issue 4  
April, 2006

**W**OW! There is a great time coming soon to the FSTC Club grounds. There will be an Open House on May 6 from 12:00 – 2:00pm. This is a great opportunity for potential and current members to come down to the grounds, take a look at our new and improved pool, and socialize with friends and neighbors.

Social Director Kathy Florence is planning a fun event for all ages. There will be a moonwalk for the kids to play in during the event. In addition, the Swim Team is sponsoring a cook-out as their first fundraiser of the year. There will be an opportunity to sign-up for the swim team and learn all about the exciting summer season.

Mark your calendar as you won't want to miss this fun day. Encourage your neighbors who are not members of FSTC to come on down and see what they're missing!

## Rudy Nydam

I am sure you have all noticed that...Spring is here! Longer days, warmer weather, flowers, spring break, Baseball, The Masters, Tennis...and I know that all of these things make everyone anxious to get the swim suits on, and get in the pool. I am sure everyone is excited about this pool season! It will be one of the best ever.

The pool work is underway, and thanks to Richard Osterholtz for providing pictures (to be sent in a separate email) for those who have not been able to get down and see for themselves. Thanks again to those for organizing the work...Charles Cantey, Larry Brideau, Joel Alvis, and Trey McDonald. But again, it took the entire membership to make this happen through your financial support. It will be well worth it!

Now for my "Priceless" act of the month:

I would have to say that this month's priceless act goes out to all the membership, friends, and family of the Lange's. The call to action, as soon as word spread about their daughter Bethany's accident, called for prayers, and support. The tremendous amount of communications really showed how a community can rally around those that are in a time of need. Bethany and the Lange family will need that support as they continue on their path of healing.

Lastly, I have to thank Penny Forman for her time spent on the newsletters and communications. The board is sourcing for a new Communications Director. If interested please contact Genie Hooper.
