## Pool Season Is Underway!

**P**ool Season is underway! The new surface has been a great source of attraction for club activities. Pool hours are

Sunday - Thursday	12 Noon -8:00pm
Friday	12 Noon -10:00pm
Saturday	11:00am -9:00pm

If you are planning an event to take place at the pool and will be inviting a number of people, please contact Joel Alvis (678-591-8743) or Trey MacDonald (770-391-9675) as soon as you know so that the proper number of lifeguards may be provided. This is a safety issue for the well being of all FSTC members.

In addition, please refrain from talking with the guard while he or she is in the life guard chair other than to discuss issues of pool safety. This applies not only to children and teenagers, but also to adults as well. Safety is our Number One concern!

## See you at the pool!

## A Note from the President ... Rudy Nydam

Well, School is out and summer's here! I know with the temperatures up, I have been enjoying the pool, and from the look of things...so have you! The club is looking great, and it is all due to the participation by all. We had a very successful open house, followed by a wonderful Luau party! Great job Genie, Kathy, and your teams! We also had a lot of new members join. I hope it was an easy decision for them after meeting the membership, and seeing what a great product we have in the club.

I would like to thank Kyle Kolvereid for taking the time to put together an "annual report" so you all know just how your money helps to keep the club running.

The first report (See Page 3) is budget VS actual so you know how we finished for 2005.

The second report (See Page 4) is our budget and projected outcome for fiscal year 2006.

Thank you to Steve and Jane Jones for donating the refrigerator outside of the Twister Cafe.

Also, thanks goes out to Tom Florence for the great addition of the flag pole to the flower bed between the tennis courts and the pool.

In closing, I would like to add a couple reminders:

- 1) Please make sure you pick up any trash you create and don't leave for others to clean after you
- 2) Designated smoking areas are on the balcony of the club house, behind the club by the horseshoe pits, and past the tennis courts by the bulletin board
- 3) Members bringing guests to play tennis or visit the pool need to make sure to sign them into the visitor book by the front entrance to the pool

## A Note from Ex-Coach Gigi

Dear Fontainebleau Swimmers, Parents, and Friends:

As many of you already know I am currently in Latin America studying abroad. This was the ONLY reason that prevented me from swim coaching again this year. I must say that my summer is not nearly the same without all the wonderful Fontainebleau kids to greet me every morning. I miss you all so very much, and am very disappointed that I will not be able to make it to any of the meets.

Good luck to all the swimmers this year, please send many any news as I would love to hear from all of you! Gigi Murad. Gigi's email is: [ggt164s@prism@gatech.edu](mailto:ggt164s@prism@gatech.edu)

### Want to see a New Playground?

Young Families of Fontainebleau is planning another fundraising event. During the months of September and October we (Fontainebleau Young Families) want to do a community/neighborhood garage sale. This would consist of people donating their items to be sold. The volunteers will do the pricing of most items and having the sale in one centralized location, so not much work will be involved for the persons donating the items.

So, with that said when you are doing your cleaning out this summer, please put aside your items that you would like to donate toward the garage sale. Again, these monies made this year will HOPEFULLY get our playground replaced. More details will follow as plans are made.

### Lawn Care Available

James and Matthew Watters and Adam Cardwell are available to do landscaping and general housework. They can do any of the following tasks:

Lawn Care, Edging, Blowing, Shrub Trimming, Mulch/Pine straw spreading, Sodding, Seeding, Painting, Moving, -And any other odd tasks

Reasonable pricing. Call for an estimate and/or references.

**A Note of Thanks:** Our son, Steven, is playing on one of the Murphey Candler tournament teams and, at the last minute, our Coach decided the kids deserved a swim party. The Fontainebleau Folks came to the rescue in a big way to allow us to have a swim party. A tremendous time was had by all, and the MCLL Gold parents were very impressed with the club. The FSTC Folks went above and beyond, and I don't think many clubs could have accommodated our rather aggressive request!! The Gold Team and the Etcher Family would like to say a HUGE THANK YOU to Wes, Kimberly, Joel, Trey, Rudy and any other behind the scenes folks for their help on throwing this together.
