A Note From the President ... Rudy Nydam

August has quickly arrived, schools will be starting soon, and the pool will be open for only one more month. It seems like summer just began and I was saying how excited I was for the new surfaced pool to open. I know the pool is the center of a lot of the yearly activities.

Don't be discouraged when the pool does close. We have a lot of events coming up to keep the social calendar full. The chili cook-off, football tailgate party, and progressive dinner are just to name a few. We also have some fund raising events so we can continue to make improvements to the club. Please be on the lookout for these events, and feel free to get involved where you can.

A successful club needs involvement from all its members. One thing great about our membership is that everyone does give their time and resources to create a wonderful place to socialize. During our last board meeting we discussed that each board member will have a sub-committee to assist in performing their duties. This should help with more member involvement and create the opportunity for uncovering future club leaders. We will be discussing this during our November end of the year membership meeting.

In closing I would like to share a moment as to why I am so glad to be a part of FSTC:

The "B" mixed tennis team was in a dog fight during the second round of the playoffs. Then out of the blue, car after car pulled up to the courts and the entire FSTC "A" mixed team came by to route the "B" team to victory. You could feel "Big Mo" shift to the FSTC side, and the looks on the other team were "priceless". I bet they wish they were part of a group that tight!

Until next time...Stay Cool!

[Calcutta](#)

[FUN FOR EVERYONE!!!](#)

Labor Day Weekend is almost here. Depending on participation this year, we'll be holding a two or three-day Calcutta. Entries are on a first-come, first serve basis. Club members have priority over non-member guests regarding spots in the tournament.

A sign-up sheet will be placed at the tennis courts beginning **Saturday, August 5th**. You may also reserve a spot by emailing tayelton@bellsouth.net instead. When you sign up, you must also put the date and time of your entry. Your email date stamp also counts.

If we don't have the required spots filled by noon on Sunday August 27th, we will then open the remaining spots to non-member guests. Non-member guests should sign up in advance on the "RESERVE" roster sign-up sheet, or email Tim at the address above. Reserve spots will be filled in date-stamp order.

FSTC's PLAYER OF THE MONTH

This month Erin Nydam submitted her nominations

Erin Makes Two Nominations

1 The ENTIRE A-8 Mixed Doubles team for showing up at our match Saturday (7/29) to cheer the B-1 on to victory. That was so AWESOME and is really a testament to this neighborhood as a community and to the tennis spirit of the neighborhood. Here's to the "sixth" man!

AND

2 Team Anchors - Brad and Kristin played 2 incredible matches the weekend of 7/29 and really provided some exciting tennis for the rest of us to cheer for. They won the 1st set in both matches but got behind in the 2nd set. Saturday they were down 1-4 and came back to win 7-5. Sunday they were down 2-5 and fought back to get into a tiebreaker. In the tie breaker they were down 2-6 and won 6 STRAIGHT points to win 8-6. In both cases they clinched the win for our team!

Kevin Chalpan is working on his Eagle Scout project and will be building some outdoor planters and benches to be placed at the Dunwoody High School tennis courts. Part of the requirements are to solicit support from community sources. There may be some club members who have lumber left over from other projects which they would like to get rid of for a good cause. Kevin is in need of pressure treated 4x4 posts of at least 3 ft in length and pressure treated 2x4 lumber of at least 6 ft in length. If anyone has these items to donate it would be appreciated and help offset the cost of the project. They can contact me at chalpaninsurance@bellsouth.net.
