WOW! What a Summer!

A Note from our President!

As I sit thinking about what to say in this month's note, I can't help but reflect on how great the 2006 pool season has been. In 2005, the membership saw the need and unanimously passed an assessment to resurface the pool. Karen Angel delivered a proposal we could not pass up, and the work was completed in time for the opening season.

I think back on the Luau, organized by our social director Kathy Florence, to kick things off. We welcomed the new members thanks to the tremendous efforts of our membership director, Genie Hooper. The grounds could not have looked better thanks to Christian Matulich, Bart Smith, and the lawn trimmings by Scott Cantey. We did have some troubles with the pump, but the job was not too tough for Charles Cantey and Larry Brideau. Then as the season progressed, Joel Alvis and Trey MacDonald kept Sweetwater well managed to make sure the pool ran smoothly. The swim team made tremendous improvements thanks to Swim team director Jamie Collier and all the supporting parents. The Friday night dinners were again a great success thanks to the efforts by Jenny MacDonald, Ellen Lange, Barbara Kiriazis, and all the "Cooks." The "Young Families" had another great year of events thanks to Julie Cole, and are well on the way to raising the money to make improvements to the playground. The Tennis teams also had great success with multiple division winners, and a Ladies City Championship, with organization assistance by Tennis director Tim Yelton. Tim is also spear-heading the fundraising to build a tennis observation deck, with designs thanks to Christos Kiriazis, and is half way to the financial goal. None of this could have been accomplished without the calling post calls and newsletter communications, thanks to Linda Maggiore and Penny Forman that kept us all "in the know."

Most recent thanks go out to: Julie Cole and Kathy Florence for organizing the "Tail Gate" Party, Christian and Carolyn Matulich for donating an armoire for the TV that had previously been donated thanks to Steve and Jane Jones, and all the

efforts by Mark Lange, Charles Cantey, Christian Matulich, and Wes Betsill to run the cable to the clubhouse that was finally accomplished thanks to the connection provided by Larry and Martha Brideau. I know I am running out of space to give thanks to all the time and efforts from the membership...so let me end by saying the 2006 pool season was a tremendous success THANKS TO YOU!

Last two notes: There have been a couple occasions in which the membership directory has been used for personal marketing. This is a friendly reminder that using the email distribution list for personal solicitations is prohibited.

Lastly, please put 11/18 on your calendar as placeholder for the Membership General meeting. We will be sending out the agenda by middle of October.
